IN RECOGNITION OF NAPPANEE MAYOR LARRY THOMPSON

HON. JACKIE WALORSKI

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 17, 2015

Mrs. WALORSKI. Mr. Speaker, I rise today to recognize the honorable public service of Larry Thompson as he retires as Mayor of Nappanee, Indiana. As a five-term mayor, Mayor Thompson continues to represent the American spirit and his contributions are truly deserving of this body's recognition.

A devoted husband and proud father, Mayor Thompson has dedicated his life to serving his community. He and his wife Linda grew up in the Nappanee area and are both graduates of Northwood High School. He worked part-time in the funeral home business during high school and graduated from Indiana College of Mortuary Science in 1973. His dedication to public service was obvious early in his life, when he began serving as one of Nappanee's first Emergency Medical Technicians in 1973. Ten years later, he and his wife purchased what is now the Thompson-Lengacher & Yoder Funeral Home and he began serving as a local firefighter. Today, he and his family continue to run and operate their funeral home business, where they provide funeral services to the entire community. Mayor Thompson became involved in government affairs when he was appointed to serve on the Nappanee Park Board and ran in his first election, a successful bid for the Wa-Nee Community Schools Board of Education.

After several years of serving in those capacities, the mayor's position became open.

Prodded to run, he ran against an opponent for the only time in his career. Every election since, Mayor Thompson has run unopposed.

Since 1995, Mayor Thompson has been instrumental in improving the structure and services of Nappanee. His support to create community development, economic expansion, and job growth, made Nappanee one of the most vibrant communities in Indiana.

Mayor Thompson's tireless work to improve the community is nothing short of remarkable. His collaboration with local and regional partners to lobby for specific projects and funding for the city brought businesses like Martin's Super Market and Miller's Assisted Living to Nappanee. Mayor Thompson also helped establish the Boys and Girls Club of Nappanee and develop the East Side/Airport Industrial Park.

While Mayor Thompson should be commended for his business savvy, his training as a first responder proved helpful when an F-3 tornado struck Nappanee in 2007. During the aftermath, Thompson led a coalition of community leaders to help rebuild areas of Nappanee that had been destroyed or damaged.

The care and compassion the mayor had for his friends, neighbors and relatives who suffered loss and experienced trauma was abundantly clear. His business sense, integrity, and passion to restore people's lives were driving forces behind the recovery process for the town.

Mr. Speaker, once again, please join me in congratulating Mayor Larry Thompson on his retirement. It is my hope that my colleagues will join me in thanking him for his leadership and service to the City of Nappanee.

RECOGNIZING KEISER UNIVERSITY ON OPENING ITS FLAGSHIP CAMPUS

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 17, 2015

Mr. HASTINGS. Mr. Speaker, I rise today to congratulate Keiser University on opening its Flagship campus in West Palm Beach, located in my Congressional district. For a university that puts its students first, while serving the community and preparing professionals for the workforce, I am excited for the school's expansion.

The 100-acre campus will provide its ever growing student population with dormitories, athletic teams, and other amenities. This bold move will also support students by giving them access to even more degree programs. High school students from all across America seeking a traditional college experience now have an opportunity to enroll and enjoy a rich multidisciplinary institution.

Keiser University is the second largest member of the Independent Colleges and Universities of Florida and is a Level VI regionally accredited institution by Southern Association of Colleges and Schools. The University serves a rich and diverse student body in traditional, nontraditional and online formats. The University was founded in 1977, with the lasting intention to serve adult learners seeking career-focused education. In 2001, the school had fewer than 4,000 students; it now has nearly 20,000 students. The acquisition of the Northwood University campus is just one of many ambitious ways Keiser University continues to expand and serve the hardworking students of South Florida.

Although the main campus is located in Fort Lauderdale, Keiser University now boasts 18 campuses located in Florida's major and mid-sized metropolitan areas and communities. The university has international sites beyond America's shores as well, with regionally accredited off-campus sites in San Marcos, Nicaragua and Shanghai, China. Keiser students
